BRIEF HISTORY

APL SECURITY SERVICES is a corporate entity registered with the Securities & Exchange Commission (SEC) on the 16th of March 2007.

Through their collective efforts, the incorporators invested their time, money & skills in putting up a business enterprise in which their expertise are best suited.

The agency was founded by individuals who are experienced & knowledgeable in the field of security management. APL's workforce is capable of providing security & safety to it's corporate & individual clients.

THE ABILITY TO PROTECT LIFE & THE ABILITY TO PREVENT LOSS in any given situation is its primary concern.

In an industry where stiff competition abounds, the people behind APL take this as a challenge. They are very optimistic & persistent in their dedication to provide PEACE OF MIND to their clients.

Dedication & hard work is the company's key to survive & flourish in this fast changing society.

QUALITY OF SERVICE MEANS PEACE OF MIND TO OUR VALUED CLIENTS

MISSION

To provide a continued & genuine quality service that would bring growth, profitable interest & benefit not only to its clients but to the agency as well.

To help improve the welfare of its security force through the support in any form the agency can provide.

VISION

To establish a reputation of excellence in the security industry & to be regarded as one of the top security providers that operate in the country.

COMMITMENT

***GUARDS ARE THE FOUNDATION OF THE
SECURITY INDUSTRY***

APL is committed to regularly remit the SSS, Pag-Ibig & Phil-Health premiums of our security guards as well as giving them their 13th month bonus as required by law.

The need to motivate them, to boost their moral & do more than what is expected of them is essential in order for our agency to provide the quality service our valued clients deserve.
